Why Geyser Smart?

The water is saturated with useful calcium

The natural mineral composition of water is preserved!

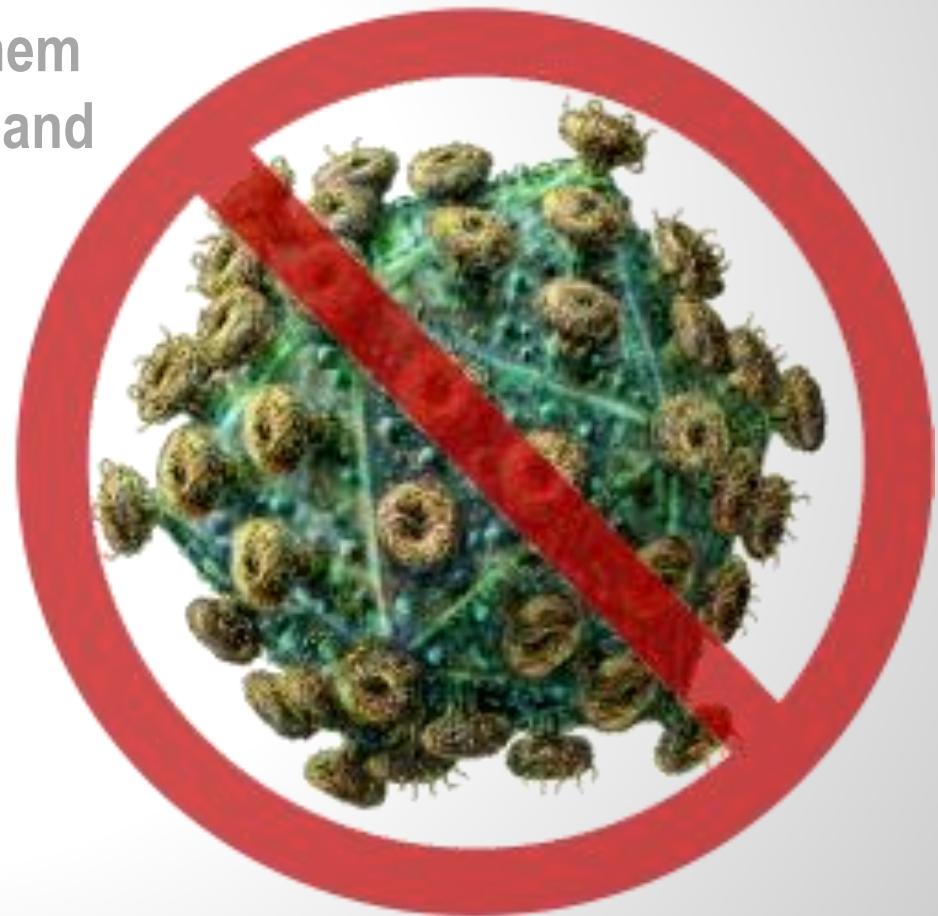

Why Geyser Smart?

Protection against bacteria

Unique filter media Aragon

Inhibits the bacteria, prevents them from entering the purified water and blocks their reproduction!

Why Geyser Smart?

Removal of rust & Descaling

Geyser SMART reduces the level of hardness salts in water due to the Aragon material and ion-exchange resins!

Geyser SMART for hard water has an increased resource for removing scale and rust!

Why Geyser Smart?

Cheaper bottled water

The price for 1 liter of clean water with Geyser SMART is more profitable 20 times!

0,02 \$/L

0,50 \$/L
